To: Interested Parties

NOTICE OF A PUBLIC WORKSHOP ON THE DEVELOPMENT OF A BASIN PLAN AMENDMENT CONCERNING NUTRIENTS IN CLEAR LAKE

The Regional Water Quality Control Board, Central Valley Region (Central Valley Water Board) will hold a public workshop to discuss the development of an amendment to the Water Quality Control Plan (Basin Plan) for the control of nutrients in Clear Lake.

The workshop is scheduled as follows:

Date: 4/5 May 2006 (Contact staff 2 weeks in advance for day)

Time: 8:30 a.m.

Place: 11020 Sun Center Drive, #200, Rancho Cordova

Staff will be providing information to the Central Valley Water Board regarding potential options to reduce nutrient loads from urban and rural sources to Clear Lake. This workshop will provide: 1) a summary of the nutrient issues in Clear Lake; 2) an overview of the Clear Lake total maximum daily load; 3) a description of a potential Basin Plan amendment; and 4) an opportunity for interested persons to provide comments on the potential Basin Plan amendment. All comments will be included in the final administrative record. Following the workshop, staff will review comments received and prepare final recommendations in a report for Central Valley Water Board consideration at a future public meeting.

Questions regarding this issue should be directed to Lori Webber at (916) 464-4745 or lwebber@waterboards.ca.gov. The hearing facilities will be accessible to persons with disabilities. Individuals requiring special accommodations are requested to contact Ms. Janice Tanaka at (916) 464-4839 at least 5 working days prior to the meeting. TTY users may contact the California Relay Service at 1-800-735-2929 or voice line at 1-800-735-2922.

Please bring the above information to the attention of anyone you know who would be interested in this matter.
